

## SPRING TOPICS FOR A FRIDAY METAPHYSICAL DISCUSSION GROUP

COALESCE GARDEN CHAPEL FRIDAYS AT NOON – 1 PM

845 MAIN STREET MORRO BAY

This Spring our group continues to gather together to discuss the big ideas and offer some heartfelt sharing about spiritual topics, wisdom traditions and belief systems from around the world. With an open mind, in a seminar style give and take format, we explore the history of metaphysics, the study of secret meanings that are often hidden in plain sight, and take up a different topic each week, including topics as well as individual teachers who have gifted the field with their insights. Please join us for some intimate sharing. Led by Tobey White Heart Crockett PhD with Catherine Kincaid on Fridays at noon. Suggested donation \$10 -20 More info: [www.tobeycrockett.com](http://www.tobeycrockett.com)
